JOHANNESBURG, SOUTH AFRICA

PROFILE

Passionate about web development, specifically front-end development. However, I have experience in back-end development. With less than a year knowledge of programming, I have managed to build projects in various languages. My biggest strength is my ability to learn and not be restricted by not knowing a tool or programming language

EXPERIENCE

C# INTERN

BBD SOFTWARE DEVELOPMENT | FEB 2019 - MAY 2019
